

Create In Me

Tommy Walker

Create in me a pure heart, a new heart, oh God
Renew in me a spirit right, that longs for You alone

Cast me not away from You
And lead me to Your presence
Come restore salvation's joy
Uphold me with Your love

Chorus

And I will worship, I will worship
I will worship You alone

Create in me a pure heart, a new heart, oh God
A heart that finds its place of rest
In knowing You love me

Free me now from holding dear
My pride and selfish scheming
May all I want and hope to be
Be found in only Thee

Bridge

Create, renew, restore my heart to You
Refresh, rebuild, restore my heart to You
